

# HIBISCUS COAST PHOTOGRAPHIC CLUB

# WORKSHOP

Orewa Community Church, Amorino Road, Red Beach

**THURSDAY 7 FEBRUARY**

**7.30pm**

**Know Your Camera  
and  
how to get the best out of it!**

## SHARING OUR KNOWLEDGE!

This part of the evening will start with an introduction to the cameras mostly commonly used by our members.

Members will talk about their camera and the modes and functions that they have found have worked really well for them! Focusing, metering, shooting functions, Manual mode and much more!

Following this will be Q&As, and then we will break into brand-specific camera groups to share more of our own tips and tricks.

**BRING YOUR CAMERA!!!!**

*Tip: Visit our website articles on Settings on Camera Dials & Exposure Triangle.*

*This workshop is always a favourite - so come and be prepared to share!*

**Be prepared for an amazing evening!**

**DON'T FORGET YOUR CAMERA.**
