

HIBISCUS COAST PHOTOGRAPHIC CLUB

WORKSHOP

Orewa Community Church, Amorino Road, Red Beach

7:30PM THURSDAY 1 JUNE

SUE, BRIAN AND JOHN PRESENT PHOTOSHOP LAYERS

THIS IS AN INTERACTIVE WORKSHOP....

PLEASE BRING PHOTOSHOP ON YOUR LAPTOP IF YOU HAVE IT

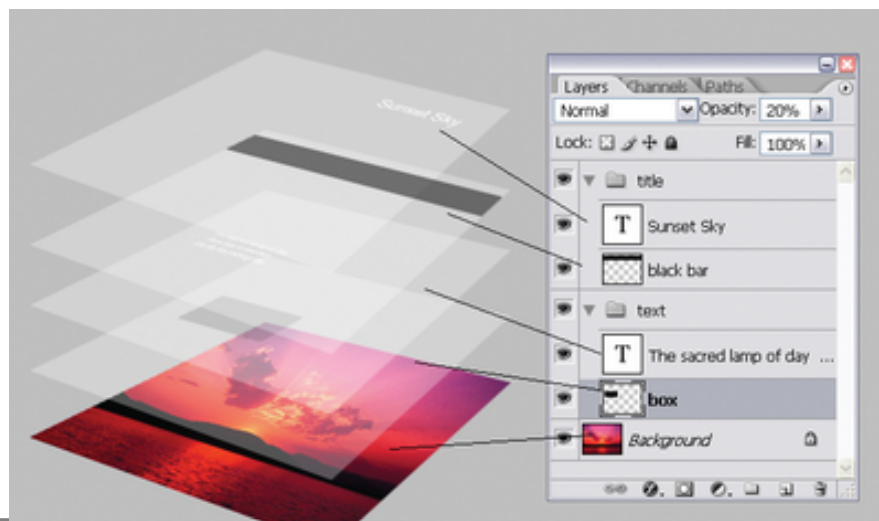

Learn about transitioning to layers when editing. Just like using the Radial Filter in Lightroom, you can adjust parts of your image in Photoshop with precise control using various layers.

Liken layers to the old overhead projectors that used transparencies.

Sue will talk briefly about the following basic layers:
CURVES, CLONING, TEXT, BRIGHTNESS, AND SATURATION

John and Brian will share **WHICH EDITING PROCESSES WORK BETTER WITH LAYERS.**

The second 45 mins of the evening will be for working on the laptops with an opportunity for any questions.

DON'T MISS THIS HIGHLY INFORMATIVE EVENING!
